

Victoria Japanese Heritage Language School

2022-2023 School Year Outlook

As a result of discussions between the board of directors and teachers, taking into account easing restrictions announced by the government of BC, we would like to inform you on the following:

*[Class style] * Refer to the notes below*

- *Face-to-face lessons at Camosun College Lansdowne Campus*
- *September 2022 ~, Fridays 4:00 ~ 5:30 pm*

[Notes]

- *There may be a change to online lessons if the COVID-19 infection status becomes worse and regulations become more strict.*
- *If we can not secure enough external volunteers and or parents to fulfill the positions needed to operate the face to face classes, the lessons will have to be online.*
- *It is unlikely that special school events will resume as they were in the past. Some school events may be held online or canceled, depending on how COVID-19 restrictions play out.*
- *When the homeroom teacher is absent due to a physical condition, the lesson may be canceled if a substitute teacher cannot be secured.*
- *In order to avoid crowding, safety measures such as entering and leaving the classroom at different times may be introduced for each class if necessary.*
- *In addition to the above, the lesson format may change depending on the situation.*

Your understanding and cooperation are essential for resuming face-to-face lessons.

We will keep you informed of details and changes that will be decided in the future.

Kind regards,

Board of directors
