

## Volunteer Deposit Policy

2022.09

If you are unable to volunteer for some reason, you will be exempted from volunteer work by paying \$120 as a volunteer deposit. Volunteering means serving positions described in "VJHLS Volunteer Job Descriptions". Teachers who teach for VJHLS are exempt from volunteering.

1. If you cannot volunteer, please pay \$120 by e-Transfer.
2. If your children are enrolled in the middle of the school year and you do not volunteer, you will be charged \$10 times the number of months from the month of enrollment until August.
3. If your children leave VJHLS before you start working as a volunteer, you will be charged \$10 times the number of months from September to the last month.
4. If you are unable to do your volunteer job due to unforeseen circumstances, you must report it to the Board of Directors. The Board will work to create other volunteer opportunities, such as changing to a different position during the school year. Nevertheless, if you are unable to do any volunteer work, you will be charged \$120 as a volunteer deposit by the end of the school year.
